WHY THEY FAIL

MOST PILE REMEDIES MISS THE CAUSE OF PILES.

Disagreeable treatment with ointments or
suppositories usually fails to cure piles, and
cutting them off won't remove the cause. Such
treatment only moderates the outside effects
of the disease and fails to remove the inside
cause. The up-to-date doctors now use internal
medicine to free the circulation in the
lower bowel and so remove the disease.
Dr. Leonhardt's Hem-Roid, the first and only
guaranteed internal pile cure—in the form of
tablets—cures any kind of piles. Sold by J.
Jas. Wood & Son, Maysville, Ky. \$1 for a
large box. Dr. Leonhardt Co., Station B, Buf-
falo, N. Y.

Third and Broadway streets, Sixth Ward,
Wednesday last.

LAWSON DEAL SURE GO

Biggest Burley Pool in History Now Certain of Con- summation

Today's Lexington Herald.

The formation of a \$50,000-
000 tobacco manufacturing com-
pany, which will be the buyer
and manufacturer of the pooled
tobacco belonging to and con-
trolled by the Burley Tobacco
Society, and which will be a
formidable competitor of the
American Tobacco Company, is
now assured, and details defi-
nitely closing the deal will be
made between the Society and
Thomas W. Lawson at an early
date either in Lexington or in
Cincinnati.

Mr. Lawson left Lexington
early Monday morning, going
to Cincinnati, and leaving in
this city Mr. W. W. Davies, an
attorney of Louisville, to rep-
resent him at a meeting of the
Executive Committee of the
Burley Society, which was called
at their offices shortly after 11
o'clock.

At this meeting plans for the
organization of the new Com-
pany were laid, and a memo-
randum of agreement between
Thomas W. Lawson and the
Burley Society was drawn up.

Times-Star.

It is said the Equity Society
will furnish the tobacco and re-
ceive in return a number of
shares of the preferred stock
of the new Company and will
not only manufacture tobacco
but will sell at retail in all the
large cities of the country. So
far as Lawson is concerned he
will put up nothing, but will
inaugurate an advertising scheme
similar to his copper campaigns.

During Mayor Lee's absence in Frankfort
ex-Mayor W. E. Stallcup will hold down city
governmental affairs.

Without ostentation or sounding of trump-
ets the colored teachers and scholars took
possession of their new High School Building
in Fifth street Monday. They have the satisfac-
tion of knowing that they occupy quarters
as complete and up-to-date as any other col-
ored free school in the State. They are justly
proud of their school building, too.

Mayor and Mrs. J. W. Lee and City Attor-
ney James M. Collins left this morning for
Frankfort to attend a meeting of the Mayors
and City Attorneys of third and fourth class
cities. The purpose of the assemblage is to
devise and promulgate legislation that will re-
spond to the interest and better government
of cities in said classes, and have the Legisla-
ture enact into laws their deliberations.

DON'T FOOL WITH THE GRIP

The after results of the grip are apt to be
exceedingly serious. It leaves in its wake
weakness and a run-down condition in general.
Prof. R. E. R. Hicks of Maplewood, Ala.,
says that after grip, Vinol restored his strength
and cured his cough after different physicians
and cough syrups had failed and he considers
Vinol one of the greatest blessings ever offered
to the public. John C. Pecor, Druggist, Mays-
ville, Ky.

The Rival, Sam Brown and Ironsides have
safely gotten back to the Pittsburgh harbor
with empties.

The Government steamer Golden Rod will re-
main at Pittsburgh a few days longer before
starting on her inspection trip.

The Monongahela Consolidated Coal and Coke
Company has between 3,000,000 and 4,000,000
bushels of coal loaded at Pittsburgh ready for
shipment.

The Board of Supervising Inspectors of
Steam Vessels of the United States, comprising
the Supervising Inspectors and the Supervising
Inspectors General, will convene at Washington
Wednesday, January 19th. The Seventh Dis-
trict, comprising Pittsburgh, Point Pleasant
and Cincinnati, will be represented by D. J.
Dougherty of Cincinnati. The object of this
annual meeting is to revise rules and regula-
tions governing steamboat inspections.

Can You Ask More?

I am so confident that I can furnish relief
for indigestion and dyspepsia that I promise to
supply the medicine free of all cost to every
one who uses it according to directions who is
not perfectly satisfied with the results. I
exact no promises and put no one under any
obligation whatever. Surely nothing could be
fairer. I am located right here where you
live, and my reputation should be sufficient
assurance of the genuineness of my offer.

I want every one who is troubled with in-
digestion or dyspepsia in any form to come to
my store and get a box of Rexall Dyspepsia
Tablets. Take them home, and give them a
reasonable trial, according to directions. They
are very pleasant to take; they soothe the
irritable stomach, strengthen and invigorate
the digestive organs, promote a healthy and
natural bowel action, almost immediately re-
lieve nausea and stomach irritation, produce
healthy digestion and assimilation, and pro-
mote nutrition. Three sizes, 25c, 50c and \$1.
Remember you can obtain Rexall Remedies in
Maysville only at my store—The Rexall Store.

BURDENS LIFTED

From Maysville Backs—Relief Proved By Lapse of Time.

Backache is a heavy burden; Nervousness wears one out; Rheumatic pain; urinary ills; All are kidney burdens—Daily effects of kidney weakness. No use to cure the symptoms; Relief is but temporary if the cause remains. Cure the kidneys and you cure the cause. Relief comes quickly—comes to stay. Doan's Kidney Pills cure kidney ills. Prove it by your neighbor's case. Here's Maysville testimony; The story of a permanent cure: William H. Paul, 333 East Third street, Maysville, Ky., says: "For two years I had pains in my back and other troubles, caused by disordered kidneys. When Doan's Kidney Pills were brought to my attention I began their use and they soon brought me relief. I cheerfully endorse this remedy as one that lives up to the claims made for it."

The above statement was given on December 13th, 1904, and on February 6th, 1905, Mr. Paul added: "My opinion of Doan's Kidney Pills has not changed since I first recommended them. My cure has been lasting and I am now in good health."

Stops Lameness

Much of the chronic lameness in horses is due to neglect. See that your horse is not allowed to go lame. Keep Sloan's Liniment on hand and apply at the first sign of stiffness. It's wonderfully penetrating—goes right to the spot—relieves the soreness—limbers up the joints and makes the muscles elastic and pliant.

Here's the Proof.

Mr. G. T. Roberts of Resaca, Ga., R.F.D. No. 1, Box 43, writes:—"I have used your Liniment on a horse for swiftness and effected a thorough cure. I also removed a spavin on a mule. This spavin was as large as a guinea egg. In my estimation the best remedy for lameness and soreness is

Sloan's Liniment

Mr. H. M. Gibbs, of Lawrence, Kans., R.F.D. No. 3, writes:—"Your Liniment is the best that I have ever used. I had a mare with an abscess on her neck and one 50c bottle of Sloan's Liniment entirely cured her. I keep it around all the time for galls and small swellings and for everything about the stock."

Sloan's Liniment will kill a spavin, curb or splint, reduce wind puffs and swollen joints, and is a sure and speedy remedy for fistula, swellings, founder and thrush.

Price 50c. and \$1.00. Sloan's book on horses, cattle, sheep and poultry sent free. Address Dr. Earl S. Sloan, Boston, Mass., U. S. A.

THE OPTIMISTIC PESSIMIST.

Sometimes I think I'm discontent;
The world looks upside down to me;
It doesn't seem as if Fate meant
Fair Fortune's face I o'er should see;
And then, while grumbling much about
Those little troubles here and there,
A big one comes, and lays me out,
Whereon, upon my back, I stare
Unto the unstarred sky, and feel
Upon my neck Fate's iron heel.
'Tis then I say, "Begone, regrets—
Those first were only troubles!"

THE POOR MAN

Pays the Freight At All Stages of the Game

"The public be damned," is an expression said to have been uttered by a once great statesman who has gone to his final reward—he that place heaven or sheol, the deponent sayeth not.

That he is not the last of his kind who entertain sentiments similar in character is apparent in the manner in which the rich grind the poor between the upper and the nether millstones of want and poverty. The actual necessities of life have soared skyward, far beyond the reach of his meagre purse, and today he is fortunate if he is able to provide scowbely and cornbread for himself and family.

And now that we are in the throes of zero weather, the coldest in years, along comes the Pittsburgh coal baron with a philanthropic proposition—at least, so far as his own greedy and selfish interest is concerned, and pops up before our eyes.

Whose shoulders does the burden fall? Not other than the poor devil who can least afford to pay the increase, but of necessity is compelled to ante up and stand the raise or be on out.

THE scheme of THOMAS W. LAWSON to finance and reorganize the Burley Tobacco Society of Kentucky, agreeable to his colossal plans, meets with THE PUBLIC LEDGER's unqualified indorsement and approval.

Great Scheme, Mr. Lawson—Welcome to Old Kentucky.

THE LEDGER is with the Kentucky tobacco growers every time, as long as the night rider is out of the running, and we believe that "if" Mr. LAWSON's bold plan is crystalized into feasible and solid financial shape that the fight for 20-cent tobacco in Kentucky is as good as won, and the Burley Society will develop as it should on peaceful lines, to be the greatest and most successful farmers' organization in the history of agriculture.

We would, though, regret to see other farm products, such as potatoes and other vegetables, butter, milk and eggs, also take the rapid jump towards high and luxurious prices and figures, which even now lifts these common necessities of life beyond the reach of the great mass of the poorer people.

Tobacco is a luxury, or is considered such, and it matters not how high it goes in price. But Mr. Farmer, be reasonable in your universal demands for higher prices on ALL your products.

Answer This Question

When shown positive and reliable proof that a certain remedy had cured numerous cases of female ills, wouldn't any sensible woman conclude that the same remedy would also benefit her if suffering with the same trouble? Here are two letters which prove the efficiency of Lydia E. Pinkham's Vegetable Compound.

Fitchville, Ohio.—"My daughter was all run down, suffered from pains in her side, head and limbs, and could walk but a short distance at a time. She came very near having nervous prostration, had begun to cough a good deal, and seemed melancholy by spells. She tried two doctors but got little help. Since taking Lydia E. Pinkham's Vegetable Compound, Blood Purifier and Liver Pills she has improved so much that she feels and looks like another girl."—Mrs. C. Cole, Fitchville, Ohio.

Irasburg, Vermont.—"I feel it my duty to say a few words in praise of your medicine. When I began taking it I had been very sick with kidney and bladder troubles and nervous prostration. I am now taking the sixth bottle of Lydia E. Pinkham's Vegetable Compound and find myself greatly improved. My friends who call to see me have noticed a great change."—Mrs. A. H. Sanborn, Irasburg, Vermont.

We will pay a handsome reward to any person who will prove to us that these letters are not genuine and truthful—or that either of these women were paid in any way for their testimonials, or that the letters are published without their permission, or that the original letter from each did not come to us entirely unsolicited.

What more proof can any one ask? For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit. Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

KENTUCKY PRISONS

More in Need of Reform Than Any He Ever Saw, Says Puffer

Prison reform is needed worse in Kentucky than any other place he has ever visited, says J. Adams Puffer of Needham, Mass., the noted lecturer on the delinquencies of boys.

Dr. Puffer says he has never seen any place where the purpose of the Prison misuses the mark so widely as it does in Kentucky, and that the people of Kentucky ought to be ashamed to permit the Prisons to be run in politics, and to make money for the State.

Dr. Puffer prepares his own interviews for publication, so that he cannot be misquoted. He had a talk with Senator Watkins of Sturgis, who will look into Prison reforms during the next session of the General Assembly.

See all matter for publication must be handed in before 9 o'clock a. m.

In the election of Bank officers yesterday, Mr. James E. May further Banking honors be his in rounding out his successful career, is the wish of his legion of friends.

OHIO ASYLUMS CROWDED

Mother Resides in Italian Villa While Sons Are Kept by State

The State Asylums of Ohio are crowded, with over 13,000 patients in the seven institutions.

Investigation shows that the State is being imposed upon by wealthy men and women whose unfortunate wards or relatives have been kept in these institutions for years at public expense.

The brother of a Pittsburgh multi-millionaire has been a patient at the Massillon Hospital for twenty-two years.

Two brothers have been inmates of the State Imbecile Asylum for years, while their mother, one of the wealthiest women of Ashtabula county, is now living in a magnificent villa in Italy that cost \$250,000.

There will be a strong demand on the General Assembly at the coming session to compel the wealthy citizens to pay for the care and treatment of their unfortunate relatives.
